Natural Environment

## Strategic Approaches

**Building a Better Service Delivery System**

Improving the quality and efficiency in the delivery of services, contributing to better outcomes and results.

**Supporting Positive Choices**

Inspiring residents to take action and responsibility for their health, safety and well-being.

**Pursuing Policy and Environmental Changes**

Improving communities and encouraging involvement to make it easier for everyone to live well.

**Improving the Culture from Within**

Increasing understanding among employees about what it means to live well and their role helping others live well.
